The sweet taste of suck-sess

Giving blow-jobs is one of my favourite pastimes. I love doing it, and I reckon I'm a bit of an expert too. I've got a bit of a reputation for it, actually. Word got around that I sucked a good dick, and now everyone has nicknamed me 'Holly Head'.

I like to start with a cock totally soft. I rub it a bit to get it excited and then I start kissing it all over. I plant soft kisses all the way up and down the shaft and on the helmet. All the while, the cock is slowly growing before my eyes. I love watching dicks grow – it gets my cunt wet.

Then I begin to trace the tip of my tongue up and down the shaft, only making the lightest of contact. This is really teasing, because the bloke is desperate to feel my tongue on his cock. But anticipation is half of the fun. And anyway, I like being in control.

As I lick the shaft, ignoring the sensitive helmet at first, I blow on the wet saliva trail I have made to make it really cold. The bloke is usually moaning by now, and his cock will be mostly hard but not quite fully erect. Then I start flicking my tongue across the helmet, wriggling it against the japs-eye and twanging the banjo string. This is guaranteed to get the cock twitching.

Then I suddenly take the helmet in my mouth ant start swirling my tongue around it, licking it all over and getting it really wet. This is about the time the cock reaches full hardness. That is the warm up over. The teasing and playing is finished, and now for my favourite part - some proper cock sucking.

"No two cocks and no two blowjobs are the same"

I begin to slide my whole mouth over the helmet, bobbing it back and forth. I slowly increase the depth of my sucking, taking a little bit more cock each time my head goes down. I make sure I hold the bloke's thighs firmly in place - I don't let them do the thrusting just yet.

I keep sucking deeper and deeper, opening my throat, until I am sucking right down to the base and my lips are touching his pubes. A lot of blokes have never experienced this sort of deep-throat before, and they love it nearly as much as me. I give them a short demonstration of what I can do, taking their cock right down my throat for a few strokes.

Then, having got them all excited, I start on their balls. I keep wanking the cock with one hand while I nibble towards the bollocks. After licking them all over, I then take one in my mouth and suck it like a gobstopper. You have to be gentle when you're doing this, and it's also good to wiggle your tongue around with a bollock in your mouth. It feels great. If I can manage it, I try and get the other ball in my mouth as well. Then I make a humming noise with my throat which causes my mouth, and the bollocks there

Fans of the long-running ABC drama (ie your wife and her cackling mates) will be double-taking at the sight of Susan, Gabby and the rest of the preening, privileged Yanks going all-out for the Shafta for Horniest Housewife in an American Sitcom Pastiche. If Sex and the City portrayed women as they want to be — smart, rich – and Desperate Housewives showed them as they really are – backstabbing and vain (*Oi! – Ed*) – then Frustrated Housewives shows them as what our cocks wish they were!

within, to vibrate. That's a winner, trust me.

After dealing with the balls, I go back to the main course. I keep wanking the base of the cock while I suck on the top half, giving the head plenty of attention with my tongue and massaging the bollocks with my hand. I can sense when a bloke is nearing orgasm and when he is I go back to deep-throating.

I increase the pace so my mouth is sliding up and down the full length of his cock really fast. Sometimes, if a bloke starts thrusting his cock into me, I will open my throat and just let him fuck my mouth till he cums. Otherwise, I keep on deep-throating and ball squeezing till I get my salty reward.

I absolutely love the taste and feeling of spunk in my mouth. I see it as payment for the blow-job I've given. My favourite is when a bloke spunks right down the back of my throat and it goes down without me even having to swallow. That feels so downright fucking filthy. I also love taking it over my face - that is filthy too, and makes me feel like a porn star.

Of course, I squeeze and tease to get every last drop of jism out of the balls and into my belly. I like to gently suck the cock as it softens as well.

No two cocks are the same, and no two blow-jobs are the same.

Sometimes they cum straight away, sometimes they take ages. But that is my general technique, though I'm always open to suggestions guys!

I've always been a little bit dubious about many of the letters I read in some top shelf magazines, just because most of the sexploits they talk about seem so far outside my own experiences with women. However, now I've got a real story of my own, I just had to write in and tell you about it.

I'm a 24-year-old bloke, and I've got a bunch of mates that I've known since college, that I mainly hang out with. We all go out as a gang at weekends and enjoy drinking and clubbing – pretty much the same as any other group of mates our age, really. The other week, we went to an over 30s night, just for a laugh. None of us had got laid in quite a while, so we figured we might be able to pull an older single bird.

The club itself was nothing special – the music was fairly crap and the beer was the usual overpriced rubbish – but the women were fucking outrageous. Unlike at other clubs I've been to, they were really up front, pretty much gagging for it. You couldn't walk around without some bird making a grab for your arse.

I got chatting to Vicky at the bar. She was a 37-year-old blonde divorcee, but she looked really hot. Her body was pretty fit, and her hair was light brown, cropped short and sexy. Anyway, she didn't mess around, and I'd barely offered to buy her a drink before she told me that she thought I was cute and suggested that we go back to her place at the end of the night.

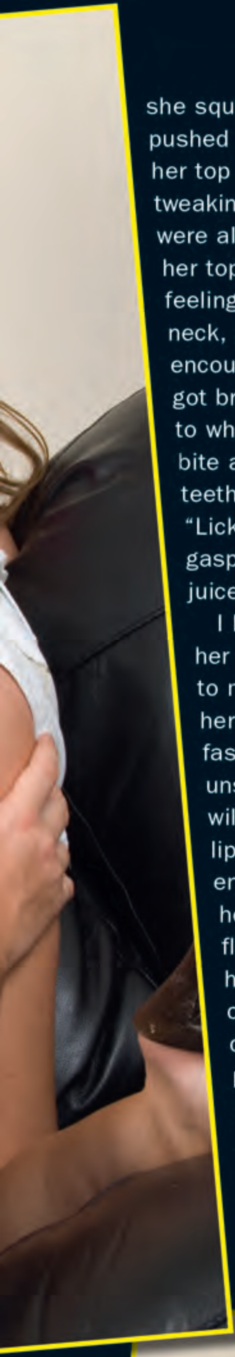
> "Her legs wrapped around my bum, making sure that my cock stayed inside her"

I spent most of the evening dancing with her, grinding up against her arse, and groping her tits through the thin white top she was wearing.

At the end of the night, we said goodbye to my mates and got the night bus back to hers. Getting off the bus, she told me that her place was a short walk away, although we'd barely got halfway down the high street before Vicky gave me this really horny look, then leaned right in and started snogging me. She wasn't shy – her hands were everywhere from the second she slipped me the tongue, stroking my chest before moving her hands down over my belly and onto my thighs. By the time they found my crotch I was already rock hard – but then, I think I was already semi-hard from the moment I'd caught sight of her miniskirt and knee-length boots in the club.

I couldn't have said anything if I had wanted to, as she rubbed me through my trousers, cupping my balls then tracing her fingers up along my shaft to my knob-end. Teasing tart that she was, she unzipped my flies then, and as I closed my eyes and braced myself for the wank of my life, she zipped me back up again, telling me I'd have to wait.

We got to her flat a couple of minutes later. She made me a cup of coffee, but I had barely had two sips before she virtually pounced on me and began snogging my face off on her sofa. It couldn't have been more obvious that she was hungry for a fuck as she took the lead, mashing her mouth against mine as her arms wrapped around me and



she squeezed my arse. I tentatively pushed my hands up the front of her top and groped her full breasts, tweaking her big nipples, which were already like bullets. I lifted her top up and gave them a suck, feeling her hand on the back of my neck, pressing me onto them and encouraging me to suck harder. As I got braver, and the more she reacted to what I was doing, I began to gently bite and scrape her nipples with my teeth, making her groan with delight. "Lick my pussy," she suddenly gasped, "I want you to taste my juices."

I knelt on the floor in front of her and, as she raised her hips to make it easier for me, I pulled her skirt and knickers off in one fast movement. Her snatch was unshaved, her pubic hair splaying wildly across her puffy, wet fanny lips. I buried my face in them, enjoying the musky smell of her horny juices. I pressed my tongue flat against her clit and moved my head from side to side, pulling away only to spit on her hole. My spit dripped slowly over her arse, and I pressed the flat of my thumb against her brown hole, pushing it inside and frigging her arsehole as I carried on lapping away at her cunt. Vicky was gagging for a fuck so much that the juices started flowing like mad straight away, and she started grunting and grinding against my face, as I stiffened my tongue and fucked her sweet hole with it. She started thrashing away against my face, fondling and squeezing her own boobs as I got her closer to orgasm. At last her muscles spasmed around my finger, and a load of juices ran out soaking my hand. I pulled my fingers out of her and clamped my mouth over her hole, so I could drink them down. She was so spent, she slithered down the door and kissed me hard and deep – she seemed to like the taste of herself on my mouth.

After a couple of minutes, my tongue began to hurt, so I

stood up and dropped my trousers, letting my hard cock spring free. I didn't even have to suggest anything to her, as soon as she saw it, she just leapt up, grabbed my cock and started to give me the slobberiest, dirtiest blowjob I've ever had. She sucked my full-length into her gob a few times and then started to wank me off as she licked down to my balls and swilled them around her mouth. Then she took my cock in her mouth again and, digging her fingers into my arse cheeks, pulled me into her mouth, pretty much making me fuck her mouth. Her eyes were tight shut as she concentrated all her attention on my cock, and I had to fight hard not to come really quickly – especially when I felt my cock-head hit the back of throat.

Eventually I decided I couldn't wait any longer, I had to be inside her. I pushed her gently back onto, and pulled her to the edge of the sofa as she ripped off what remained of her clothes.

I slipped on a condom, bent down and, wasting no time, slid my cock straight up her hot snatch. I braced my hands on either side of her and started to bang away, pushing right in up to my balls.

Vicky went wild at that, raking my chest with her nails and craning her neck to kiss me as I fucked her. Her legs wrapped behind my bum, making sure that my cock stayed inside her, and I tried my hardest not to cum to quickly as we screwed like animals.

She must have felt that I was close, because she pulled away, turned around and pushed me roughly back onto the sofa, so I was sitting, facing her. She straddled my lap and slowly lowered her dripping cunt down on to my waiting pole, and I gasped as she enveloped my entire length. She started to ride me, her arse slapping against my balls as her fanny swallowed my dick. I couldn't help but buck my crotch to meet hers, and pretty soon, I had hold of her hips

"I was getting close to coming as her cunt continued to tighten around my cock"

and was fucking her for all I was worth. Constricting around my penis, her pussy muscles clenched and she orgasmed, pooling her juices around the base of my cock, screaming and wailing as she did. I was going at her so hard that I was getting tired, but her soaking climax gave me my second wind and I kept on thrusting into her.

I was getting close to coming, too, as her cunt continued to tighten on my cock, holding it vice-like every so often, while her vagina pulsed and clenched. I tried to concentrate on hanging on in there and not shooting my load, thinking of every unsexy thing I could to prolong the inevitable.

Not that that did much good. After all, when you're fucking an experienced horny woman whose fanny seems to clench around your cock with every thrust, you've got sod all chance of keeping your spunk in your balls for long. Sure enough, I came hard and fast, my balls blasting jets of hot spunk into Vicky's already-soaking wet hole. Then I just slumped forward across her, totally drained. She stayed the night, and I have to say, taught me quite a few techniques that time.

I've seen Vicky again a few times since and, although some of my mates think I'm mad for going out with a woman who's 12 years older than I am, I'm getting the best sex I've ever had, she gives me no grief, and she says she's up for pretty much anything. I'm sure I'll write again to let you know what we get up to!

MILF OF THE MONTH

KELLY

Busty MILF Kelly (35) insists this marital bed has seen some action. "I'm surprised it's not in pieces, the hard shaggings I've had hanging on to this bedhead. My hubby lets his mates all have their turn you see!"

DIRTbag

Real smut from the Razzle sack!

I was ridden like a rodeo horse on an exchange trip

On a student exchange to the States, I had one of the best – and horniest – six weeks I've ever spent, which, going by my track record, is saying something!

Most blokes loved my accent, even if a few of them were a bit confused by the fact it wasn't posh or Cockney and, of course, I made the most of things.

"The harder he fucked me the tighter I squeezed my arse muscles around his big rigid shaft"

When one guy, Greg, found out that I worked weekends at a riding stables back in the UK, he invited me out to a small ranch owned by his uncle. I got the warmest welcome, and a surprise. When Greg led Sugar, the horse his uncle had picked for me to ride, out into the yard, I noticed she had an English-style saddle on, rather than a big American one.

As I cantered her around, I spread my legs and leaned forward so the front of the saddle rubbed hard against my clit through my jeans.

Later on, while we were stabling the horses after our ride, Greg came up to me and whispered in my ear that an ex-girlfriend of his had also liked frigging herself off against saddles.

"Maybe you didn't shag her often enough," I said. It took him about half a second to work out what 'shag' meant, and then he chased me into and empty stable with a bucket of cold water, saying maybe I needed to cool off. "You wouldn't dare," I said, which was a little stupid, as the next thing I knew, I was soaked from head to foot. He couldn't move, he was laughing so much, so I got my revenge, by flinging my arms around his neck and pressing myself against him, soaking his clothes. He didn't care, he just held me hard against him and shoved his tongue halfway down my throat.

As he snogged me, he felt me up all over, stroking my arse through my sodden jeans. Then he lowered his head and sucked my nipple – which was already stiff from the cold water – through my wet T-shirt. "Better get these off," he said.

His cock wasn't quite the longest I'd seen, but as I started to wank it, it swelled up and thickened and got really hard. Once he was naked I undressed myself, peeling off my wet clothes and hanging them off a ceiling beam to dry.

I knelt down in the hay, and started kneading my breasts like dough around his cock. Soon I could feel his pre-come leaking out, and once I'd spread it all over the inside of my cleavage, he was able to fuck in and out of my tits, like they were my pussy.

Suddenly, his balls, which had been slapping against my boobs, bunched up, and a hot jet of spunk squirted deep inside my cleavage. Then, as the head of his cock emerged from in between my tits, I bowed my head and opened my mouth, taking it inside so I could swallow the rest of his come as he shot it down my throat.

Being 22, he'd get hard

again in no time, but I wanted my pussy to be good and ready for him. I sat on his face, facing down towards his feet so I could see when his dick started to harden again. Grasping my thighs, Greg began to suck my clit, before moving back a little to jab his stiff tongue into my pussy.

Then he licked his finger and started rimming my bumhole with it, pressing just the tiniest part of the tip into the opening now and again.

As I licked his prick it started to come to life again. Then I felt him grabbing my bum cheeks, and pushing them, trying to get me to crawl down his body. I got up on my haunches, and he knelt behind me, cupping my tits, his cock pressing into my back. He licked inside my ear, then whispered, “My uncle says anyone who rides an English saddle must have a cast iron butt. Have you got one?”

I didn’t answer him. I just leaned forward till I was on all fours, doggy-style, my butt high in the air and my legs slightly spread.

My pussy was juicing up, but Greg was obviously eager for some back door fun. Splaying my knees to steady myself, I reached back and held my bum cheeks wide apart, so Greg could lick and lubricate my arsehole.

Then I breathed in deeply, trying to relax my sphincter muscles as I felt his fat cock head bumping against the opening.

He felt even more hard and swollen than he looked, and I groaned, pushing back against him as he fed his shaft into me. Once I’d got used to the size and feel of him in my arse, though, I started begging him to pump me faster. Arching my back, I thrust my bum in the air, dropping my shoulders down almost to my hands. Although my knees were on the blanket, the top half of my body was over the edge of it, and so, as my tits swung back and forth to Greg’s shagging motion, the straw tickled my nipples.

The harder he fucked me, the tighter I squeezed my arse muscles around his shaft, and, before long, his dick began to throb inside me. Splaying my legs again, I reached back and began to finger my clit, though it was the feel of more of Greg’s warm spunk pulsing out into me that finally set my own orgasm off. My clothes were still damp when I got dressed again, but my knickers stayed wet all holiday long!

WHAT DO ELEPHANTS USE FOR TAMPONS?

SHEEP.

I think my wife needs glasses. I woke up this morning and she was sucking the bedpost.

A bloke was caught pissing against a wall by a WPC. She handcuffed him, while reading him his rights, "And anything you say can and will be held against you..." The man smiles and says, "Breasts."

A famous heart surgeon died suddenly and everybody who was anybody went to the funeral. It was a big, lavish affair, with the coffin being displayed in front of a huge heart. When the priest had finished his sermon and everyone had said their goodbyes, the heart opened, the coffin rolled inside and the heart closed again behind it. Just at that moment, one of the mourners started sniggering. The guy stood next to him asked him why he was laughing. The man looked at him and admitted, "I was just thinking about my own funeral, that's all." The guy frowned and asked, "What's so funny about that?" The man finally stopped sniggering and said, "I'm a gynaecologist."

True Con

Voyeur Tom needs to splash out on some new binoculars after spying on his neighbour

I've never really considered myself a voyeur before now, apart from watching the occasional porn film, but since the new people moved into the house over the road, I seem to have developed a new fetish!

I live on a street of smart detached houses in town and folk round here tend to keep themselves to themselves. I'd noticed the removal van earlier in the week, but had thought no more about my new neighbours until a few nights later when I was going to bed. The street is tree-lined, which adds to the privacy, but you can obviously see in the windows of the buildings opposite when they turn the lights on at night, so people are pretty quick to close the curtains. But this night, my eyes were drawn to lights in the large bedroom window upstairs.

Standing in the brightly lit room, in full view, was a woman with long dark hair and she appeared to be slowly unbuttoning her top.

I could have been mistaken, as the street is quite wide and I didn't have the clearest of views, but there was only one way to find out for definite!

Although I had never spied on anyone before, I didn't hesitate and ran downstairs to get my binoculars from the cupboard, before returning to the bedroom and switching off the light. Resting my elbows on the window sill, I focused the binoculars on the neighbour's window and got the shock of my life. She had definitely been unbuttoning her top as I'd thought, as she was now standing there in just a black lacy bra. She was about 25 years old with a really pretty face and long black hair that cascaded over her naked shoulders. She seemed to be looking directly at me, but surely couldn't see me in my darkened room. My heart beat faster as I stared at her big breasts, beautifully wrapped in her fancy lingerie and I felt my cock starting to stiffen.

Unfortunately, she was standing too close to the windowsill to see what she had on below her waist, but I could clearly see the bed behind her, and I hoped she would move back towards it soon. Raising my view back to her tits, my cock throbbed to attention as I watched her push the material clear and cup them in her hands. I checked her face again and she still seemed to be staring in my direction, with the sexiest of smiles playing on her lips. Could she see me? I started to think that

> "My heart beat faster as I stared at her big breasts"

fessions!

maybe she could.

Realising this display could very well be for my benefit, I dropped my trousers, taking out my rigid prick as I watched her playing with her ample boobs. She began to slowly move backwards and as she did, I glimpsed the top of her garter belt, her suspenders, then her shaven pussy and the top of her black stockings.

I began to wank as she slid one hand lazily down her body and in-between her legs. She spread the lips of her twat slightly with two fingers and inserted another slowly into her pink glistening cunt.

I had to stop and frantically wipe the binoculars at this point, as I'd steamed up the lenses with my constant panting. Focusing again on the object of my lust across the street, I saw she had now raised one stilettoed foot onto the bed and was going to work on her pussy with her fingers, while squeezing the nipple of one large breast between her finger and thumb. She was still smiling in my direction and my cock was throbbing, as I indulged in my guilty pleasure.

Still fingering her juicy-looking hole, she clambered onto the bed, her arse thrust deliciously in the air. Those lovely tits now swaying beneath her as she jerked herself off. I was just getting geared up to cum, when she suddenly pulled her finger from her slit and fell back onto the bed, spreading her long shapely, stocking-clad legs as she did so. I paused, dick in hand, as she reached into a drawer beside her bed and pulled out a flesh coloured dildo.

A quick look at her pretty face showed her licking and sucking the cunt juice off her fingers, her eyes tightly shut in ecstasy as she manoeuvred the sex toy towards the entrance to her pussy.

Leaning back, she lifted her legs high in the air and pushed the fake cock deep inside her twat. Fuck, she must have got about seven inches up her before she slowly pulled it out again.

"My cock was throbbing"

My binoculars were so good that I could actually see the sticky cunt cum glistening on the shaft and as she began to pump the length in and out of her snatch, I shot my load all over my hand and the carpet.

After I'd spent a few moments cleaning myself up, I peered over towards her house but the curtains were now drawn and the entertainment was over.

Luckily for me, my new neighbour's slutty performance was not an isolated display and I have spent a good few evenings watching her act the tart. She has even fucked her bloke with the curtains open and the light on a couple of times since that first show and I can't wait until it gets dark each night, to see if I'm in for another voyeuristic treat.

How my wife got an emergency servicing from doggers...

My wife and I are no strangers to swinging. We're not into doing it every weekend or anything, but once every couple of months we'll attend a swinger club, and join in with some other like-minded adults.

Other than swinging at clubs and the occasional wife swap via the internet, our sex lives are pretty full as we like to keep it fresh and wild! Recently, however, we got a massive buzz from our first dogging adventure.

Neither of us had really considered it before because neither of us particularly gets off on voyeurism. Our opinion of dogging has changed recently though, because of an experience that turned us on to the other side of dogging – exhibitionism!

It started out with me and the wife going out for a drink. We just had the one when the missus started to get frisky, so we left quickly and, as I drove through the country lanes, I knew we wouldn't make it all the way home before I'd have to make a pit stop so she could have an emergency servicing! I pulled in at the small car park of a small nature reserve. There was a car already there, but it was unattended. As we weren't going to be long, I figured that we'd be done before whoever owned the car would be back. As far as I was concerned it would only be a twitcher out taking advantage of the lighter evenings, as the reserve gets a lot of bird watchers.

Well, once the wife's tits were out and I was mounting her we discovered exactly what sort of bird watcher he was – a guy appeared out of the trees and lurked a few yards from the car. We could see him peering in as I fucked the Anne! I wouldn't have credited it if I'd heard about it before, but Anne looked at the guy and grabbed my arse and pulled me into her, encouraging me to fuck her harder!

The next time I looked over the dirty bastard was wanking himself off at the free sex show we were giving! It was getting Anne off though, and it kind of thrilled me to have an audience too. "Cum on my tits!" Anne begged, so I pulled out and sprayed my jism over her big norks!

The guy faded back into the trees and we drove off. When we got home we were still so sexually charged that we fucked again as soon as we were through the door. When we came up for air, we discussed what had happened. We both agreed that it was a real turn

on, and decided to look into dogging – as while watching wouldn't be so good for us, now we'd had a taste of being watched, we wanted more of the same!

"I released her tits and grabbed them from behind as she hitched up her short skirt"

We spent the next few days looking at web sites and decided that at the weekend we'd spend a couple of hours trying to find some dogging sites. We'd found a couple on the 'net, but thought that looking for more might be fun. Also, we wanted to be sure that if we stopped at one we'd be comfortable.

The weekend came and we drove out. We drove past the two sites we knew about from the web, and also the nature reserve. The reserve car park was empty, but the other two sites had several cars. We felt that there were too many for us, so we drove on to find a less intimidating location. We studied the map and went to another likely site, one just off a section of dual carriageway that's used during the day by people going fishing on a stream there. We struck out there though, as there was just a guy loading his fishing tackle into his car. My tackle was looking to be unloaded by Anne – if only we could find the place! We were both horny as hell now, and eager to show off.

We headed to the next likely place, the last we could think of. It was just a kind of dead end that leads into a footpath where dog walkers park. It wasn't dog walkers we were looking for though, but doggers. It looked like we might be in luck too, as there were two cars parked up, and both just had a single bloke sitting behind the wheel.

We parked near the other cars and put the light on, so that if they were doggers they would know we were inviting them to watch. Nothing happened so me the wife and I just got down to it! I released her tits and grabbed them from behind as she hitched up her short skirt so I could get at her pantyless cunt. I saw one of the guys get out of his car and he positioned himself just right so he could see me slide my dick into Anne!

I began to fuck her and she said that she could see that the other guy was in his car wanking. She waved to him, and to our surprise he got out and came over for a better look. The other guy was wanking himself off now. Anne was loving the audience and her cunt was sopping.

I couldn't hold back so I pulled my cock out and spunked over Anne's arse and frigged her cunt until she came.

Next time she wants a watcher to cum on her tongue!

DOUBLE STROKERS

Last month I reviewed the Spider at a whopping £90, so for those who are pinching their pennies as well as their penises this and the Tenga have been road tested for your wallets as well as your willies. The Strokers come in varied colours and textures. My volunteer tested the pink one – his conclusion was that nothing beats banging me, mind you he had to say that didn't he, especially as I was clutching the Icicle like a baseball bat. However, for £14.99 it's not a bad little number at all. It feels very tight and has ridges inside which, judging by his expressions, was a hit. You can increase or decrease the level of suction to control your experience further by putting a finger over the small hole at the end of the Stroker. Judging by the mess on my sheets this was even more of a hit!

Available from www.lovehoney.co.uk for £14.99

ICICLES NO 23 REALISTIC GLASS DOUBLE DILDO

If you are lucky enough to have two pussies hanging off your prick, get this 'cos I bet you'll be decorating the bedroom ceiling before you get your socks off with two honeys making out between your sheets! It's bad enough having one unsatisfied customer let alone two. The Icicles No 23 is a stunning glass luxury dildo that oozes quality, hence the price tag. But it's worth every penny – just ask my boyfriend, and girlfriend, and neighbour and boss! I'm all about the love, me! It measures 13.5 inches top to toe giving both ladies a king-size rogering. Look, just get it, you won't regret it – you can even clean it in the dishwasher!

£39.99 from www.lovehoney.co.uk

TENGA SOFT TUBE ONACUP – STANDARD

Slightly cheaper than the Strokers, the Tenga Onacup has an amazing 70 nubs that line the cup and wrap around your cock – divine! The idea behind this is that the harder you grip it the more sensations you will experience. My second volunteer was a bit worried about the pulling out aspect but the 'squeeze out' turned out to add an extra spine-tingling kick of pleasure. Plus there is a little air hole that can be covered while wanking to increase the suctions even further, just like the Stroker. Be sure to use lube though, they recommend Tenga lotion, but we found that other lubes work too. Happy wanking chaps! Happy watching, chappesses!

Available from www.passion8.com for £12.99

True Con

Being caught wanking doesn't always have to end in shame. As Tanya discovers...

I'm in my final year at college, and my boyfriend and I share a big, two-bedroom flat with my mate Kirsten and her bloke. When the lads have a boys' night out, Kirsten and I are usually glad to see the back of them – we get to be as girlie as we like.

Last month, it dawned on us we'd got really lazy and hadn't been out clubbing since Christmas. We decided we'd do it, and to celebrate I bought a new black dress and high heeled boots.

"Juice gushed from her hole as I licked her twat"

While Kirsten was in the shower, I tarted myself up in her full-length mirror, and liked what I saw. My dress was so tight and clingy, I had to wear a G-string underneath it. The mirror was angled, leant up against a wall, and when I shoved my hips forward I could see right up my skirt. Giggling to myself and feeling excited about the night ahead, I had a little fumble, stroking my pubes gently through the little silky triangle.

I suddenly noticed Kirsten in the doorway and blushed scarlet. There was a really awkward moment, then she stammered, "D-don't stop. You look… fantastic. Really sexy."

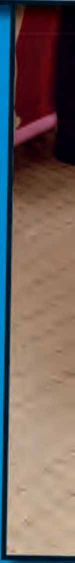
She let her bathrobe fall open and started groping her own tits. It all felt just a bit too weird, but I was getting little tingles in my pussy. I pulled my G-string to one side and started probing my slit with a finger. When it was coated with my cream, I pulled it out and took a lick.

Kirsten had one hand in between her legs now, and I asked her had she ever been with another girl. She shook her head and I said, "Me neither…" Then we just turned and looked at the bed.

Two minutes later we were under the sheets. It still felt weird – she was my mate as well as a girl, but once we'd got used to the idea, we just went with it.

Kirsten took the lead, kissing her way down from my mouth to my tits. My nipples went hard and tingly under her fingers and tongue, then her hands were everywhere, caressing my arse and hips, and smoothing my inner thighs apart. One last suck on my nipples, like she was psyching herself up, then she licked a trail down over my belly to my crotch.

Getting head from Kirsten felt so different to when my boyfriend went down. Her tongue was flitting over my clitoris like a butterfly, teasing rather than rasping me to excitement. Every time she paused



fessions!

for breath, I'd yell at her not to stop. Her fingers came into play too, inching into my hole to stroke my G-spot.

"She begged for a fuck"

"Oh fuck!" I moaned as my orgasm started to hit – the most incredible tightness in my pussy, followed by explosive rippling. I spread my legs wide as Kirsten lapped up my wetness. Her fingers found my clit as her tongue rammed up my hole, then flitted down to my arse crack to catch every stray drop of pussy juice.

She wasn't going to let me rest until she'd cum too. She grabbed my hand and pulled it in between her legs, and all my nerves vanished. I'd worried I wouldn't be able to bring her off, but it was easy. She used her hand to rub mine against her clit, just the way she liked it, and soon she was grinding hard on it.

She still wasn't finished. She begged me to lick her, and so I sat over her face as I buried my own between her legs. I used my lips and tongue to tease her clit out into the open, then sucked and lapped until her body was shivering and she sobbed in ecstasy.

Even when she came, the juices gushing out of her hole, she wanted me to carry on licking her. She was thrashing around but I hung onto her arse, steadying her to give her what she wanted. My own clit was starting to pulse again, but all it took was one gentle rub to get me off.

We stayed in bed as long as we dared, before putting on our trackies and going downstairs to wait for our blokes. When they got back, we told them we'd decided to give the clubbing a miss after all. It didn't occur to them that we'd been up to anything, although mine mentioned how juicy my pussy felt around his prick when we fucked later…

American Honeys...

Hailing from the world of web porn and alt.porn, these hot new girls from the other side of the pond blow up the stereotype of the pneumatic blonde porno starlet...

Part One: Brunettes

Andy San Dimas

Who?

Don't be fooled by the masculine moniker, 25-year-old Andy San Dimas is all woman. Discovered on Myspace, the raven-haired beauty with German/Native American heritage smashes the big-boobed, blonde hair porn stereotype.

What?

Having started out doing alt. porn, it wasn't long before Andy crossed over into 'mainstream' fucking, debuting in *Dana DeArmond's Role Modelling*. Her varied sexual tastes include interracial, Gonzo films, facials and group sex, and she's obviously doing something right as she's won two industry awards this year alone – the AVN Award Best Actress for *This Ain't Glee XXX* and XBIZ Award for Female Performer of the Year.

Where?

Vivid Entertainment's *Malice In Lalaland*, *Batman XXX: A Porn Parody* and Harmony's *Fuck Me Indie Ass* – all of which see the 5'4" honey greedily cum-swallowing at both ends! Catch her with her porn pal Bobbi Starr in *Drive*, due for release later this year, and keep up to date with her at twitter.com/andysandimas

Fuck Fact

Andy's stage surname is taken from the town and high school featured in *Bill & Ted's Excellent Adventure*.

Dana DeArmond

Who?

Like Andy, Dana DeArmond made a huge name for herself (and 300,000 friends) on Myspace before modelling professionally, and changed the way a lot of people view alt. and web porn models. She lists one of her main objectives in life is "making amazing jerk off material." Our kind of gal!

What?

The 5'8" beauty from North Carolina pretty much does it all on film. In 2007, she moved behind the camera, directing two documentary porn movies; Dana DeArmond Does the Internet and Dana DeArmond's Role Modelling. She won the 2008 CAVR Siren of Year Award and the 2009 Urban X Award for Best Anal Sex Scene in Rico The Destroyer. We expect more awards to follow shortly!

Where?

Dana regularly updates her sites (she also has a tendency to treat fans as friends instead of customers, unlike most), so they're all worth a peek or two; www.myspace.com/littledana and twitter.com/danadearmond and you can view her video account here; www.youtube.com/profile?user=DanaDeArmond.

Fuck Fact

Dana used to be a figure skater, along with fellow porn starlet Sunny Lane.

Rachel Roxxx

Who?

Everything's bigger in Texas, except Lone Star state girl Rachel Roxxx at just five foot tall. Ex-Hooters girl and stripper, her popularity is finally rising high. A bit like my cock...

What?

Ms. Roxxx's first step into porn was in Shane's World: College Amateur Tour in Texas, at the age of 24.

Since then, she's appeared in over 150 films and done

NEXT ISSUE

everything from 'schoolgirl' scenes to MILF movies, including anal, facials, cum-swapping, squirting, creampies and A2Ms.

Where?

If you like POV movies, check out Ultra-Magnum Creations' The Virtual Reality Stimulator 3D (for which Rachel was nominated for an AVN Award for Best POV Sex Scene this year) or Bluebird's Bonny & Clide (for which she was up for the Best Group Sex Scene AVN Award).

Fun Fact?

Rachel was on The Howard Stern Show in 2007, admitting that she'd had an 'S hook' inserted into her arse on film, but she won't do black guys because she's afraid of their size.

Charlie Laine

Who?

5'3" beauty Charlie Laine is a natural brunette, although she does occasionally dye her hair red to "match her fiery nature". Born in Wisconsin in 1984, she moved to Florida at the age of 18 and stepped into the world of porn. This minx is girls-only, and she's more than a little handy wielding a strap-on!

What?

Having shot her debut porno – *Cockless 21* – in 2002, Charlie made bondage movies before going on to carve a name for herself making lesbian scenes. Nominated for four industry awards, she's proved you don't have to suck cock to get work.

Where?

Get off on two gorgeous birds going at it? Then we'd recommend virtually any Charlie Laine movie! We loved her horny real-life threesome in Vivid's Tila Tequila Uncorked, and Digital Playground's Teagan's Juice is definitely worth a watch.

Fuck Fact

Charlie competed in the World's Strongest Naked Women contest. She came last, only managing to complete two pull-ups and 14 push-ups. Better than we can do!
